

sinclair QL
13th italian meeting

Modena

20 November 2016

10:00 / 17:00

The 13th Meeting Italian Sinclair QL will be held Sunday, November 20 in Modena
(address: DTM technologies - Via Tacitus 65)

The meeting will start from 10:00 AM till 5:00 PM
with a break of about one hour for a lunch at the
traditional "Tigelleria" adjacent a mall

Maps for the meeting place and instruction for getting there by train can be found here:
<http://www.dtm.it/home.php?id=40201&lang=0>

As the last two meetings we will organize educational sessions with presentation of ongoing
projects in Italy and there will be a conference call with some some foreign users.

It will also be possible to take part in some internet sessions but being the limited access
number will be given priority to historical users and users who want to connect from abroad.

Details will be provided separately to the persons concerned
